

**Friday, October 30, 2009**  
**10 a.m. – 5 p.m.**

National Certified School Nurse Exam Preparation Course

This course will provide participants with the skills needed for taking the National Board Certification of School Nurses Exam.

Physical Assessment of the School Aged Child

This session will provide a review of physical assessment and allow participants an opportunity to perform hands on demonstration of physical assessment of the school-aged child. Bring stethoscope and otoscope if available.

9-5-2-1-0 Poised to Turn Around Childhood Obesity

This session will provide an overview of the problem of childhood obesity and the implications for healthcare. The 9-5-2-1-0 Program developed by the Northern Virginia Healthy Kids Coalition will be shared with participants.

Navigating the Legislative Information System (1 – 3 p.m.)

This presentation will provide participants with information on how to locate and maneuver through the Legislative Information System. Legal references pertinent to school health nursing will be discussed.
